My Dear General ~~Radesou~~ ^(Widely)

Gen. Nicolae Radesou

July - letter from Cretzjann to Gen. Radesou

I have just received your two letters which you sent to me from New York on 26 July. I thank you with all my heart for thinking of me and for your friendly words.

I am in accord with you in regard to the formation of the National Committee which should not be delayed. I have given an affirmative reply to the formal proposal which was addressed to me in the name of the Council of the Political Parties, confirming thus my previous acceptance.

I am informed that they sent you a similar invitation and I am very happy to know that the Democratic Political Parties desire to propose to his majesty the King your name for President of the Rumanian National Committee.

I know your feelings of high patriotism and I am convinced that you will not refuse the offer of the Council of Political Parties, who alone offer the only solutions in view of forming a Committee with a democratic and representative character. I am happy thus, at the idea that soon I will be able to work in a Committee presided by you.

Accept, I beg, my dear General Radesou my most devoted sentiments.

~~Alexandru Cretzjann~~
