Creation of The Union of Free Rumanians

(Radeanu)  
General Nicolae Radeanu, former President of the Rumanian Council of Ministers has just created the Democratic Union of Free Rumanians, a movement whose aim is to organize Rumanians living outside of their country and desirous of taking part in the struggle for Rumania's independence.

The Union formed by General Radeanu following his recent visit to King Michael of Rumania includes the various groups of Rumanian emigres.

(We state definitely that the representatives of the great traditional Rumanian parties: the National Peasant Party, the Liberal Party, and the Social Democratic Party, belong to this Democratic Union of Free Rumanians and will without doubt become a part of its Directing Committee.)
