General RADESCU has informed Adriana <sup>D</sup>GEORGESCU-COSMOVICI that from now on he will be no longer able to send her the amount of 20,000. Fr. Fr. he used to send her monthly, as salary.

Adriana COSMOVICI is a "gerante" of General RADESCU's paper here, ACTIUNEA ROMANA.

General RADESCU was already late with the payments since he did not send money from the beginning of September until January, when he sent his last check and the above mentioned letter.

None of the students who were scheduled to receive scholarships from General RADESCU have received them.

The last issue of the paper ACTIUNEA ROMANA was delayed because of lack of funds. It could nevertheless be printed because of some older checks which were payed recently by the Banks. These checks were drawn on the name of l'ACTION ROUMAINE, and Adriana COSMOVICI could not cash them because of some technicalities which were cleared only recently with the Ministere de l'Interieur and the Prefecture de Police.
