MEMORANDUM FOR THE RECORD

SUBJECT: Correspondence with Colonel Alfons REBANE

1. Subject is of continuing interest in the Heine-Raus matter, and we may conceivably have to call on him for some service before this case is finally closed. He was "recruited" during our TDY visit to Munich in September 1966, in the sense that he is now sympathetic to our cause and also fully and completely convinced that Heine was undoubtedly recruited by the Soviets at some stage of his career, probably during his first imprisonment.
2. It is therefore of considerable importance that our correspondence with him not be interrupted. I have written him twice, the last time mentioning that I might be again out of Washington when his letters arrive and that I was "introducing him by letter" to my colleague [ ] who might answer in my stead. I said nothing about leaving Washington PCS. Thus, the next REBANE letter can be answered by anyone calling himself [ ] and using the specific bona fides set up in my last letter.
3. Letters from REBANE addressed to [ ] will be delivered to [ ] for action. The German can be translated in SB Division. The answer can be written in English. Arrangements can then be made for including the name [ ] in our P.O. Box.
4. REBANE's [ ] file is being turned over to [ ]
