ACTION REQUIRED - REFERENCES			
ACTION: FYI			
Reference: A. BONN 8494, April 1965			
B. EGMA-66456, 28 April 1965			
C. DIR 12400, May 1965			
1. A review of Headquarters files revealed no new significant information on any of Hans RECHENBERG's contacts with the exception of			
Dr. Franz RADEMACHER			
who, as we noted in reference C, has been in a Syrian jail for an unknown length of time. His incarceration was in connection with both the Eli COHEN and Adnan ZAYN cases. COHEN was hanged 18 May and ZAYN was released recent. But we have no information on RADEMACHER's status subsequent to 18 May article in the DAILY STAR entitled "Syria to Try German Spies." The article quoted an announcement that "SPRINGER" and "ROZALIO" (RADEMACHER GROSSELLO) were agents of an unnamed power and would be involved in a new spy trial. There is nothing to indicate that he has been either tried or released.			
2. Our review provided no leads or ties to Eastern Intelligence other than the already familiar suspicions thus we can only agree with references A and B that RECHENBERG and company should remain high on our CI suspect list.
