OPERATIONAL MEMORANDUM

MGB-A-119

BSC/Ops/119
Berlin
30 July 1947

SUBJECT: CALESA Project *noted*
REF: Berlin Cable No. 264, BSC/Ops/118

1. CALESA was met at 1400 hours, U-Bahn Station, Viktoria
Indepark, Sch. ueberg, U.S. Sector on 28 July 1947. This
meeting was scheduled for control purposes and no additional
information from CALESA was expected.

2. CALESA's plan to contact the Russians on 2 August
was discussed once more in detail. It was agreed that CALESA
will move on 1 August to his uncle's house at 24 Kavalierstrasse,
Berlin-West (to further reassure the Russians through having
his residence in their sector). After careful surveillance of
the proposed meeting place on the evening of 1 August, CALESA
will report to Frederick B. Gaines at 1000 hours, 2 August 1947.

3. During the conversation it was ascertained that CALESA,
as well as other members of his former chain, worked under the
impression that their activities were on behalf of the OSS.
CALESA, however, knew that the organization he worked for
was connected with the G.I. It was further ascertained that CALESA
did not know the location of our headquarters building; he
actually believed it to be part of the so-called Onkel Tom compound.
