Transmittal of Czech Area Information from DS-636

1. Transmitted herewith as Enclosure A is Czechoslovak border information obtained from DS-636 by a Cabezone interrogator. DS-636 is a former Czechoslovak citizen who was born 5 July 1904 in Rysuty, District Bilina, Czechoslovakia. He is a graduate architect and was last employed as a foreman with the United Steel Works, National Enterprise, in Kladno, CSR. He came to West Germany in May 1955. Further biographic information appears in RC-2886.

2. Since this information is operational in nature, it will not be published in the RC report series.

3. CHIEF, EE: The information in Enclosure A was forwarded to Headquarters under EGG-A-65745 dated 28 July 1955.

Enclosure: HERewith  
A - As stated above

4 August 1955
