

PROVISIONAL OPERATIONAL APPROVAL

MEMORANDUM FOR: Chief,
CO/OS - [] []

NUMBER [] []

SUBJECT

ROCHOLL, Heinrich

REFERENCE: Your Memorandum, Dated

23 September 1966 ja

A Provisional Operational Approval is granted for the use of this Subject as set forth below.

A Provisional Operational Approval issued by CI Staff grants the same authority, on a temporary basis, for the use of an individual as the authority granted in an Operational Approval unless otherwise specified by CI/OA. It is based, however, only on preliminary file checks and investigation and is subject to a further final review when all investigation is completed.

The POA is valid for contact and assessment. Recruitment is not authorized and permission to do so must be the Subject of a request for an amendment after the Field has had an opportunity to learn more about Subject's true motivations and his relationship with the German-China Friendship Society. Is this purely a means of getting business for himself or are there political reasons also behind this?

We ask also that the Field evaluate and, if possible, get more information on the matter of Subject's possibly having been exposed to the KGB by Felte.

Additionally, has the desk been able to determine what the Union for the Far East was or is?

We will be glad to proceed when we get the requested information.

An Operational Approval will follow when all investigation is completed and upon the receipt of satisfactory PRQ Parts I and II.
