DATE: 9 June 1948

TO : Chief, Foreign Branch "H"
FROM : Acting Chief of Station, Karlsruhe, Germany
SUBJECT: GENERAL - Operational
Yan SPECIFIC - EQUAL - ROEDER, Dr. Manfred

1. Attached hereto, is CIC's interrogation report on ROEDER, chief prosecutor of the German EQUAL trials. This report was obtained from CIC, BUCCO.

2. Your attention is called to the following reports containing our own interrogation results on subject: MGH-1219 (HSC-78), MGH-1218 (HSC-77), MGH-1246 (HSC-81). Contrary to the CIC interrogation report, our own reports covered only those EQUAL phases which were considered new and hitherto unknown material, while CIC has attempted to let ROEDER reconstruct the entire EQUAL case to the best of his knowledge. In our opinion this report does not particularly contribute anything to our knowledge of the EQUAL case. ROEDER's description of the Swiss EQUAL activities are perhaps a good indication of how little the Germans were aware of the significance of the Swiss group at the time of the trial.

3. The report is being submitted to you for whatever it may be worth.
