Aug. 5th, 1953.

Dear Hertin.

First I want to thank you very very much for your letter you sent me.

I had already lost all hope of getting something from you. It is almost a year since I mailed you my last letter, and up to now there was no answer. I tried to explain it from all angles but couldn't figure it out.

I thank you once more and if I'll get an answer that this X letter has reached you - I'll write more about myself and other friends of yours.

Best greetings to all

yours

Ilmara.
