

*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Chief, FI/Plans/Cover Division

DATE: 23 July 1954

FROM : Chief, Contact Division, OO

SUBJECT: S-707; OO/C Case 16201

1. Sietinsons informs us that he has not received any letters from Latvia subsequent to the 5 August 1953 letter. He answered the 5 August letter in December of 1953 as a Christmas greeting only, and to inform his correspondent that his address remained the same. Sietinsons indicated that it was not wise to do more than this, although letters from Latvia to relatives and friends living in Sweden and Germany have increased considerably in volume since November 1953.

2. Is there any additional action required on our part, or may we consider this case closed? Please advise.
