Excerpt from [] contact report of his
meeting with Leontine SPACS

Mrs. Leontine SPACS was acquainted with AECOB 4 family in Latvia. She stayed with them a couple of summers at their home in Lielupe. Mrs. SPACS said that AECOB 4 had remarried a girl Mirdza who is an architect in charge of kolkhoz and sovhoz housing projects and therefore, she travels around often. AECOB 4 had a very good job at the same office, but was tried for using business building material in his own house that he has built in the suburbs of Riga. He lost his good job and now works on steel construction buildings as a crane operator or something like that. He is still in good spirits but when drunk he often cries about his first wife and son who are living in New York.

(Note: Comment by [] AECOB 4 was once considered ~~by~~ by Hqs. connected with AECOB 10's case(sic). AECOB 4 is living comfortably, has a car and two places to live. His own house, which he built himself and the house in Lielupe)
