REFERENCE: Your 6381 (par. 3)

We have no derogatory information at present which would preclude employment of the persons listed below. Should any new information be received you will be advised.

1. MAHEL, Edward.

2. PROCH, Walter. We have a B-3 report, end '50-early '51, to the effect that the notorious Richard KAUDER - KLATT receives frequent visits from Leni PROCH, wife of Walter. Through this contact, possibly, he might be in touch with Johann SANITZER, although this is considered rather unlikely. We recommend that the K-K contact to the PROCH family be clarified if PROCH is utilized.
