 [ ]  
 [ ]  
 [ ]

6. Stay-Behind Activities:

[ ] [ ] asked whether we could have a meeting in the near future on coordination of our stay-behind activities. [ ] [ ] said he was well aware that the SHAPE Clandestine Planning Committee was laying the groundwork for coordination of allied stay-behind activities but that he felt we should also coordinate in the field in order to be prepared to present our joint realistic point of view in regard to implementation of any ICP recommendation. [ ] [ ] further suggested that [ ] take the initiative in this matter and appoint a representative to meet with their staff member who would be shortly arriving from London.
