FROM: SAINT, London
SUBJECT: SCHELLEBERG Interrogation

The following information, which has been derived from the SCHELLEBERG interrogation, has been sent to us by cable from SHAEF Forward:

A. Grand Mufti of JERUSALEM, EL HUSSEINI, and his adjutant Doctor LANDALLI were close collaborators of AMT SIX and SCHELLEBERG personally. MUFTI had staff of twenty to thirty men. Similar number was trained in "ATLANTIC" School near THE HAGUE. In Autumn 1944 and in Winter 1944 ARABS and GERMAN PALESTINIANS were parachuted in PALESTINE for sabotage, fomenting revolt, and preparation further parachute descents.

B. MUFTI received very high payments. He had agents in Turkey. He was important for MOHAMEDAN Divisions in the BALKANS. He also had WULFEN School in DRESDEN. These WULFENS were going to be used with MOHAMEDAN minorities in RUSSIA.

C. SCHELLEBERG gave detailed account of fabrication of many millions of ENGLISH 5 and 10 pound notes by AMT 6 F. It was tried to place 20 to 30 thousand pounds in PORTUGAL. HAGENSTEIN was in charge of this attempt. In 1944 KALTENBRUNNER took over and handled distribution of these notes through (cover name) who worked with WANNACK, HOETTL, SCHEIDLER. These men plus KALTENBRUNNER and GOETTSCH all profited by these transactions.

D. Motive of SCHELLEBERG's visit to TURKEY in 1943 with GRAEBER, Chief of AMT 6 C was to seek cooperation with TURKISH I. S. Though his talk with NACI PERCEL, Chief of TURKISH I. S. was mostly political, result was that a TURK was allowed to work off WANNACK without official interference. PERCEL also closed his eyes when CANGASIANS were smuggled into RUSSIA. TURKISH I. S. helped by supplying CANGASIANS and GEORGIANS.

E. In 1942 1 man in AMT 45 (later called AMT 47) worked for long time for RUSSIANS. He received large payments. He was executed. SCHELLEBERG suspected WANNACK. SCHELLEBERG thinks that in end WANNACK went over to RUSSIA. He also believes that many members of AMT 4 are prepared to do the same.
