Procurement of Background Material from ECIC

REF : KARL-1014

1. Since there is undoubtedly a large amount of interrogation report material on subject's wartime intelligence activities on file at ECIC, CMOB would like copies of all such material which would assist in deciding how best to utilize subject.
2. In addition, it would be useful if the Frankfurt office found out from Mr. RAPP or some other competent American official at ECIC just what was the relationship between Oberst BAUN's organization and subject prior to BAUN's departure from Oberursel.
3. We would appreciate your help in obtaining and forwarding to us copies of all handbooks, interrogation guides, etc. written by subject and published at ECIC.
4. Undoubtedly, ECIC has numerous photographs of Subject. Please obtain and send us three of these, if possible.
