5. Hamburg Case. @KUTZBACH described a case involving a DA residing in Hamburg who has had 4 meetings with his Czech case officer in East Berlin. The man's sister resides in the CSR. The agent is met outside a theater in East Berlin by a man driving a car, who claims to be @EICHMANN. At the last meeting the man drove the agent to an apartment which @EICHMANN claims was his own. The apartment was at Pfisterstrasse 14. I later determined that this is the apartment belonging to Jaroslav ANTOS. @KUTZBACH said that he suspected that @EICHMANN might be ANTOS. He based this suspicion on a statement @EICHMANN had made to the agent. @EICHMANN claimed that for an unidentified reason he was unable to meet the agent in Switzerland. When @EICHMANN picked up the agent he was driving a car with CD plates belonging to the Czech Embassy in East Berlin. @KUTZBACH suggested I discuss the matter with @NABINGER.
