1. With regard to UPHILL's Fall MONOGRAM, MLB may wish to pass the following COS comments to UPHILL:

1. We feel that

It is quite possible that Alias GRAM was correct in identifying the photograph of

Ludek * HOCHMANN
(born 16 June 1928 in Prague, CSR)

as his Czech agent handler, (fnu) "NOVOTNY". After HOCHMANN left his post as ARTIA representative at the Czech Trade Mission in Frankfurt, he was assigned to the Czech Culture House in East Berlin and is known to have been in East Berlin since at least May 1960. According to a refugee source (EGBA-65559, 4 October 1960 and EGBA-65863, 20 October 1960, not to MLB), HOCHMANN, who is reportedly married to Jirina HOCHMANNOVA nee KOJZAROVA (born 15 February 1929 in Prague, CSR) and has one daughter (CALLEKAR), assumed the duties of acting director of the Culture House when the former director, Josef KOLIHA left for Prague in August 1960. HOCHMANN's principal task, before KOLIHA's departure, was general supervision of the employees, which consisted mainly, according to source, in assuring that the employees did not attempt to come into close contact with customers. The source also reported that HOCHMANN resides in Berlin/Pankow, apparently has a good marriage and does not drink. We have had indications since March 1961 that a (fnu) SIMUNEK (phonetic) has taken over direction of the Culture House. HOCHMANN is believed to be still employed there. (FYI only. The source mentioned above identified a personal friend of HOCHMANN's -- from a photo spread of Czech stationed in greater Berlin -- as Second Secretary of the CSPI, Adolf MUELLER, who figures in the case and is almost certainly a member of the Czech Intelligence Service.)

2. We have received an unconfirmed report that Robert THER, attaché of the Czech Embassy in East Berlin, departed PCS for Prague on 1 May 1961. THER apparently was in Berlin in March, but our most recent positive trace is dated 7 February 1961 (EGBA-68936, 6 June 1961, not to MLB). We are, therefore, particularly interested in Alias GRAM's reaction when UPHILL shows him THER's picture in the photo album on Czech IS personalities.

3. Concerning Wolfgang KLOSE, Regierungsrat with the Landesgerichtsrat, Berlin/Lichterfelde, we presume that UPHILL has the following information from the West Berlin police files:

2. KUBARK only: BOB arranged with CALLIKAK that all KLOSE intercepts be sent directly to Munich for passing to MLB. This has proven to be the most expeditious manner of handling these intercepts and still gives MLB an opportunity to examine them before passing them on to UPHILL. BOB also receives information copies. So far there have been three items: two postcards from Leipzig and Schkeuditz, East Germany and a letter from the wife of a friend, Bruno ALFONSO, Geneva/Chatelaine, Avenue de Crozet 30 (no BOB traces).

3. KUBARK only: BOB has no identifiable traces on KLOSE's neighbors with the possible exception of:

a. Otto BOGATZKY might be identical with Otto BOGATZKY, born 9 March 1905 in Stralsund, Germany, who, until he refuged in January 1956, was Dozent at the Fachschule fuer Bauwesen in East Berlin.

b. Eva KRAUTH might be identical with Eva Barbara KRAUTH nee GIENOW, born 15 September 1924 in Berlin/Wilmersdorf, on whom the U.S. Mission, Berlin requested traces in April 1959. BOB files were negative. We have requested a police check on KRAUTH to determine if the two women are identical. If so, we shall determine the Mission's interest.

c. Hans MIELKE might be identical with Hans MIELKE, born 30 July 1930 in Mantel, Germany, who, until he refuged in January 1959, was employed with the VEB Plastikwerke in Berlin/Friedrichshagen.

d. Kurt WANNAGAT might be identical with Kurt Albert Wolfgang WANNAGAT, born 22 August 1928 in Koenigsberg, Germany on whom we have a dropped agent card. We have requested a police trace on WANNAGAT to determine if the two men are identical. If so, we shall determine the agency for whom WANNAGAT was employed and the reason why he was dropped.

We will advise you if the results are pertinent.
