SCHOEBEL, Hans [

] [

] w/@PETERSEN & @KUTZBACH 17 August 63

I asked KUTZBACH if he had developed the answers to the questions on Fall MONOGRAM we had handed him at the last meeting with him (i.e. details of D/A meet in Vienna and license number of car used by CIS). He said he had not and then said that the agent would not be meeting with the CIS until the end of the year (a sort of non-sequitor if I ever heard one) but since it was not really important I did not press it. (I also noted from the file that the CIS was supposed to meet the agent this Spring but apparently this did not come off). The meeting is to take place in some "northern" country. PETERSEN expressed ignorance of the case so KUTZBACH filled him in on the affair (I didn't catch anything that is not already in the file.)
