SUBJECT DIZTAG/CATIDE/Operational
 Ↄ Fall MONOGRAM - Identification of CIS Officers

ACTION REQUIRED - REFERENCES

REFERENCE: EAVW 17455, 23 July 1963 ⌐   ⌐

1. CATIDE has sent us photographs taken in October 1963 of @GRAMM's CIS handler. They request that we make another attempt to identify him; the CIS case officer was the same one GRAMM met in Vienna on 16 June 1962. As you remember, GRAMM, when shown a picture of Stanislav ZDARSKY ⌐   ⌐, stated definitely that ZDARSKY was not identical with his CIS case officer. He also said that the man who surveilled him was not identical with Slavoj FROUS ⌐   ⌐

2. While we agree with Headquarters that our original identifications could still be valid, we believe that the only certain way we will be able to settle the matter is if someone in the Vienna Station has happened to have seen either FROUS or ZDARSKY in person. Forwarded herewith is the clearest of the photographs sent to us by CATIDE. We assume you still have the photographs forwarded with EGMA 59721, 16 August 1962.

3. We would appreciate any help Vienna can provide to help us (and CATIDE) to resolve this matter.
