<p>For your information <span style="float: right;">L/CE</span></p> <p>a. EAVA-31258, 27 February 1963 b. EGMA-64944, 20 July 1964</p> <p>1. <u>Chief, Munich Liaison Base</u>: The seven photographs which you describe in paragraph 2, Reference B, are Stanislav ZDARSKY (we marked the photographs with 'a'). The individual described as "an unknown man with occipital baldness" is positively Slavoj FROUS ( ) and we marked each photograph in which he appears with a 'b.' The young man ('c') we are not able to identify. The "young woman" (note she also appears in a group shot in addition to two separate photographs) is, in our judgment, Zdenka FROUSOVA, but we can only say so with something like 60% certainty. FROUSOVA was born 8 October 1924. We are forwarding a photograph of her which, when compared to the CATIDE photograph of the "young woman" (enclosed) bears the following common features: hair style approximately the same; right ear lobe seems to slant at same distinct angle; shape of face and nose structure appear similar. We are returning herewith our photograph of FROUSOVA and the print of the "young woman" described above. We note in Reference B that you did not forward copies of CATIDE's clandestine photographs to Headquarters which you might now wish to do. It was Headquarters in EGMW-12775, 11 February 1963, which originally identified two persons involved in this case as being ZDARSKY and FROUS.</p> <p>2. <u>Chief, EE</u>: In addition to our identifications, we showed the photographs of "the balding man and young woman" to ( ) and ( ). Without a moment's hesitation, ( ) said, "that is FROUS." After a few seconds study she said, "I think that is his wife, but I can't be positive."</p>
