[ ] with FLEMING

18 May 1965

[ ] had asked FLEMING for details on the SCHOEBEL case but FLEMING was not able to provide too many. I said [ ] would get the word when he read a long dispatch on the Subject I had written based on KASTELL's explanation of the case. FLEMING said that they were pretty well satisfied that SCHOEBEL had played straight with CATIDE with regard to LENSKY, SCHOEBEL's CATIDE case officer was fired for falsifying his records with regard to his SS past. I asked if he was the one who used the alias HERMANN but FLEMING said no he used BAUMANN or a similar name (No pertinent records in our files).
