German Police in the Soviet Zone

Criminal Police Organization in Brandenburg and  
Land Saxony

1. The enclosed charts on the organization of the Criminal Police in Land Brandenburg and on the structure of the Landes-kriminalpolizei of Saxony were obtained by CAMLET from a well-placed but untested source in the Potsdam municipal police.

2. They are being forwarded to your office with the suggestion that they be preserved pending the compilation in form of an authoritative study on the mass of police information submitted by us and other stations on Soviet Zone police during the past two years.
