1. DTRAPID requested biographical information on subject in December 1949 and we forwarded the non-operational information contained in his file, plus what biographical information we had. Now DTRAPID states that they are unable to contact subject directly and are requesting more information. We should appreciate your advising us of any arrangements you may have made with DTRAPID regarding subject in order that we may advise Washington. If you wish us to send DTRAPID biographical information, please send us a new PRQ form as was requested in MGK-W-4086.
