CALL/Operational

CAMLET-2 Sub-Sources - FOERSTER

Concurrence

1. CAMLET-2 claims to be operating a Railroad official as a controlled source in the DBR who has furnished railroad and Bauernpartei personality information. He is a member of that party. This source CAMLET-2 is willing to turn over to us provided CAMLET-1 approves.

2. The CAMLET cryptonym of the aforementioned source is "FOERSTER". His true name and position has not as yet been disclosed to me. Reports passed to BOB by CAMLET-1 on information supplied by "FOERSTER" will be disseminated as EGB-2978 (DDR Railway Ministry) and EGB (Bauernpartei functionaries).

3. We shall keep you currently posted on the development of this lead. No immediate expenses outside the pale of CABEZA are envisaged.
