Activities of the China Export Corporation and
the China National Export and Import Corporation

4 September 1953

Canlet

K. L. R. X

This is a very helpful report in that it describes a procedure of operation by CNSIC not previously reported to this office. The document is very clear and detailed. Swiss watch shipments by this company to Communists in China have been reported. It is especially interesting that no examination of contents is made by West Germany officials.
