<p>1. <u>Synopsis.</u> This dispatch records our continuing contact with CAMLET, a long-time MISPAWN contact of Berlin Operations Base, and describes his role in our efforts to inspire active MHERUSH support for the ODYSEE position in IDENTITY-1.</p> <p>2. <u>Operational Developments.</u> Although CAMLET was not one of the more ardent enthusiasts at the time IDENTITY-2 was instigated, he very quickly became convinced of the merits of the project and remains one of the mainstays in our effort to increase MHERUSH participation in IDENTITY-1. CAMLET's support is especially valuable because his orientation is solidly KABAKER, he speaks independently of [] and the [] forces, and his outspoken advocacy lends credence to the non-factional coloring essential to the success of the overall campaign.</p> <p>3. CAMLET's participation in the IDENTITY-1 trip with [] and [] was an unqualified success. On his return, he published the series forwarded by References, and he has caused a number of pro-FBPRIME articles to be surfaced. At []'s request, CAMLET has undertaken a personal political action campaign on our behalf. He has contacted a number of high-level CABAKER officials, including IDENTITY-3, and has discussed with them what he saw in IDENTITY-1 and what he believes MHERUSH must do to alleviate at least some of the problems which were identified there. He has also held two meetings with IDENTITY-4 for the same purpose. IDENTITY-4 complimented [] and requested that he be allowed to use []</p>

<p>the group's recommendations as a basis for his draft analysis of the IDENTITY-1 situation with regard to possibilities for MERSUKH aid. CAMLET has also addressed [] on the subject and has talked with numerous IDENTITY-5, particularly those of the CABAKER persuasion. In following up the conversations with IDENTITY-5, CAMLET has sent all IDENTITY-5 special copies of his IDENTITY-1 series. Examples of one of these copies are forwarded Under Separate Cover.</p> <p>4. <u>Intelligence Production.</u> Our contact with CAMLET has produced no disseminable intelligence reporting recently, although he has given us valuable operational information.</p> <p>5. <u>Cost of Operation.</u> CAMLET is an unrecruited MESPAM contact who receives no salary. Since the beginning of IDENTITY-2, we have expended \$18.00 for gifts for CAMLET and \$22.11 for operational entertainment.</p> <p>6. <u>Future Plans.</u> We intend to continue availing ourselves of CAMLET's service wherever and whenever it appears profitable to KUBARK. No regular schedule of meetings is anticipated, but LASHOBI will remain in social and occasional operational contact with him, as has been the pattern of their relationship for the past four years.</p>
