2. KOCH and WEYDE predicted that many more would leave the BfV, some because they feel there is no future for them at the BfV, and others as a result of President SCHRUEBBERG'S policy of replacing key men with those of his own choosing. According to KOCH, SCHRUEBBERG stated during the early days of his tenure, that he was going to replace all those individuals in the higher strata of the BfV who were "resisting him". (Comment: KOCH's known dislike for SCHRUEBBERG deprives his statement of at least some of its objectivity).
