para 4. In commenting on the [ ] case [ ] expressed his deep appreciation for our ready response to his request for assistance adding that this is something he will never forget. He pointed out that the fact that we provided him with a letter identical to his original draft proposal clearly demonstrated that we were backing him 100%. This was in contrast to ~~the~~ the attitude of the Interior Ministry where no one was willing to stick out his neck on his behalf. [ ] stated that the entire attitude of the Interior Ministry in this case had a rather serious effect on the morale of the CAVATA members. He then commented on the utter incompetence of the officials in the Interior Ministry responsible for CAVATA matters. He mentioned that at present there are 100 investigations pending ("Verdachtsfaelle") on persons ~~in~~ in the Fed Ministries suspected of treason. Yet, the Ministry of Interior has never given instructions to, or served requirements on, CAVATA. The Ministry only becomes interested when there is a flap or bad publicity. (Note: ~~the~~ latter remarks are identical to those made by C-16 and reported in EGNA-14776, 14 Apr 58)
