1. Herewith clip and translation of front-page "mini-editorial" (a daily feature) which appeared in the 21/22 August (weekend edition) Die Presse.

2. It is believed that the article probably reflects instructions GRCANERA gave his staff prior to departing on vacation 18 August. These instructions, in turn, reflect in general our discussion with GRCANERA about the possibilities of another "Hot August," and our request for some observance of the anniversary of the Soviet invasion of Czechoslovakia, during our meeting on 63 August 1971.
