1. Although we had nothing whatever to do with the appearance of this particular article, we forward for Headquarters information (and with the thought it may offer opportunity for pick-up and replay if desired) a full-page spread in the Saturday/Sunday "Die Presse" for 29-30 January entitled "Where Opposition is Equated with Insanity."

2. We have encouraged GRCAMERA whenever we see him to carry straight news and factual articles on Soviet dissidents; he appears to have a lively interest in this matter on his own part, but perhaps we have increased it. We feel confident that he would be interested in publishing anything new and reasonably authentic on the topic we could provide him which had not already had wide circulation through wire services and international press; such latter items he seems to pick up on his own initiative.
