West German Documentation for GRALLS-100-1

Reference: WGA-1738 dtd 23 July 1953

1. [] stated that GRALLS-100 and family were to emigrate to the United States. If this is so, what type of documentation will they use and when will they depart from Europe?

2. If legal German passports are necessary for the emigration, they could be obtained; but if they will not be used to support this purpose, then the present TID's are satisfactory for international travel. The acquisition of legal identity documents means that bearer is registered on the tax list as a resident of Germany and therefore subject to the duties of a resident such as payment of income tax, registration with labor office, payment of social welfare taxes.

3. The suggestion is made that WGA issue GRALLS-100 and his wife BERNHARDINE IGAR (BORN: WILHELMINE) for use as local identification and in order to coincide with the Berlin residence claimed in the TIDs. A Semi-permanent Interzonal Pass could also be provided in the event there is a reason to indicate that bearers still reside in Berlin. Apart from drivers licenses, WGA does not have subsidiary documentation for West Germany.

4. If BERNHARDINE IGAR (BORN: WILHELMINE) are desired, please complete the attached forms and forward the necessary photos. If Interzonal Passes are desired, send the same size photos but showing different clothes and a different pose.
