

SIM/234

Chief of Operations, Salzburg

15 December 1953

Operational/INTEL/ALACIE  
 Pachette Meeting with Grallspace 1 on  
 10 December 1953 - OR 55

MEETING ARRANGEMENTS

1. As arranged at the previous meeting (see OR 55, SIM/258), case officer [redacted] was to meet agent Grallspace 1 at 1000 hours on 10 December 1953 at the Grallspace safe apartment. Case officer arrived at the apartment at 0945 hours and agent arrived at 1005 hours. The purpose of the meeting, which lasted one hour, was to continue agent's instruction of the U. S. Constitution, to pay agent his 300 AMS for utilities in his personal housing and to have Grallspace 1 arrange a meeting between case officer and Wilhelm SCHAUP, one of the persons who answered Grallspace 1's ad for "art" pictures.

PROJECTION

2. None.

OPERATIONAL MATTERS

3. Case officer asked agent whether he remembered Wilhelm SCHAUP, the Salzburg "nachrichten" employee who had answered agent's ad for "Aktbilder". (See SIM/234. A closer check of the blackmail and RIG allegations on SCHAUP proved that those allegations were exaggerated. SCHAUP had at one time been involved in a sale of information concerning U.S.A. building program. SCHAUP tried to obtain the information by applying a little pressure to his clients.) Agent said that he did. Case officer then asked that agent telephone SCHAUP and ask if there were a possibility for them to meet since he (agent) was still interested in buying some "art" pictures. Case officer then explained that after agent arranged a meeting with SCHAUP, case officer himself would go to see SCHAUP as Mr. A. Miller (the name agent used in procuring the "art pictures"). Case officer asked if possible that this meeting be arranged at SCHAUP's apartment on 15 or 16 December at 1400 hours. Case officer and agent would meet on Monday to see if agent had been able to make the necessary arrangements. (C.O. Note: Case officer met agent on 14 December at 1100 hours and learned that agent had been successful in arranging a meeting with SCHAUP for 15 December at 1400 hours at SCHAUP's apartment. Case officer is contacting SCHAUP as part of an investigation to determine any possible use of SCHAUP in intelligence operations.)
