1. Reference is made to memorandum dated 4 January 1954 requesting a Covert Security Clearance to permit Subject's use in the United States as a spotter and interviewer at SR/DOB in the interrogation of prospective Russian speaking agent candidates during their assessment period in an effort to note flaws in their background and report. The Subject is not to have access to any operational information.

It is understood that Subject is entering the United States under the authority of Section 8, Public Law 110.

This is in effect a reinstatement of the covert security clearance granted Subject 14 October 1953, which became invalid as Subject was not used within the 60-day period provided for.

2. In accordance with the provisions set forth in the Director's memorandum of 14 February 1949 entitled, "Security and Operational Clearances," a covert security clearance is granted for the covert use of the Subject as described in your request as set forth in paragraph 1, above.

3. The Subject is not to represent himself as, nor is he to be represented as, an employee of CIA.

4. Your attention is called to the fact that a covert security clearance does not constitute complete compliance with the provisions of CIA Regulation 10-9. 5. This clearance becomes invalid in the event the Subject's services are not utilized within 60 days of the date of this memorandum.
