MEMORANDUM FOR: Chief, Contact Division, OO

ATTENTION: [ ]

SUBJECT: Sergei Schebalin - Case #16667

REFERENCE: OO Memorandum dated 8 February 1955

1. There has been recent evidence that the Soviet Government is stepping up its efforts to entice former Soviet citizens to return to their homeland. As you are aware, there are paramount operational considerations in the case of Mr. Schebalin which dictate that we seek to avoid, at all costs, his ever becoming a target of such attempts on the part of the Soviet Government.

2. In view of these factors, we are compelled to ask for periodic status reports from your field representative on the resettlement of Mr. Schebalin and family. We would greatly appreciate being informed, at the earliest practicable date, as to the progress of his employment with the Brown Instrument Division of Minneapolis Honeywell, his present morale and conduct, and of any other special problems he may have.

3. Though we realize it may pose an additional burden on your personnel involved, we would like to request that you keep us advised semi-annually, until further notice, as to the status of Mr. Schebalin's resettlement.
