PERTINENT INFORMATION			
<p>The following is an account of my activity in Austria, both Vienna and Salzburg, from August 1947 to July 1951.</p> <p>...</p> <p>The Romanian element in Salzburg is composed of 95% Iron Guards of the Horia SIMA faction. It is common knowledge among the Romanian group that the Iron Guards are working for the American IS. Their operations, and their meeting places are known to practically all of the Romanian group. The Auner-Malner groups...the above mentioned group is loyal to Horia SIMA first and to the Americans second. It has been brought to my attention, without confirmation, that a large part of the funds or monies that this group receives for their services is sent directly to Horia SIMA for support of the Legionnaire movement.</p> <p>...</p> <p>p6.</p> <p>The Iron Guard group, which is loyal to Horia SIMA, is a group that in my mind should not be used for intelligence services even though I admit that they are the best organized group in exile. Regardless of the individual with whom you are working, if he is a member of the Legion, you are automatically working with the Legion.</p> <p>...</p> <p>p7.</p> <p>These Iron Guardists are capable of committing anything "for the Captain", meaning the leader of their group, Horia SIMA.</p> <p>...</p> <p>I have warned the TIB American representative in Salzburg that the Iron Guard element was not turning over all information that they were getting to the Americans and that the most part of it was being sent to Horia SIMA's group in Madrid, Spain.</p> <p>...</p> <p>THIS IS ALL THE INFORMATION PERTINENT TO THE SUBJECT IN THIS DOCUMENT.</p>
