1. Attached is the result of a Berlin Document Center check on Subject reference paragraph 1 A. Further traces on Subject are contained in EGLA 11685, FRAN 5688, and EGQA 55029, all available to you at COS. In November 1954 BOB requested traces on Subject from local BOB and CIC. MID's reply was negative. CIC reported that an unsigned letter in their files (evaluation F-6) stated that Subject was " a convinced National Socialist who turned himself to the Democratic and European way, to maintain intensive connections with the Arbeitsgemeinschaft Demokratischer Kreise in Bonn."

2. [] informed us that the true name of Subject reference paragraph 1 B is Ernst Fabian von HOLST. For this reason BOB requested Berlin Document Center checks on both the name given in reference and von HOLST. The results of both these checks are attached, including photographs for positive identification. Further information can also be found in EGQW 18959 available to you at COS.

3. The files of BOB and BDC contain no information pertaining to the Subjects of reference paragraphs 1 C, 1 D, and 1 E.
