3 May 1957, Page 16

George WITTICH admitted me that Dr. SIX supposedly lives in Hamburg (address: ?) and can be reached by calling telephone number 864858. Dr. SIX is supposedly the former "SS Professor" in the RSHA. He is supposedly a member of the Leske Publishing House in Darmstadt and participates in the publishing house with an initial capital of 50,000 DM. A meeting with Dr. SIX in Darmstadt is unfortunately not possible because he will be travelling to Munich on the 11th of November. On 15 November he will be travelling to Hamburg and will be awaiting a telephone call by 18268 in Hamburg on the evening of 15 November.

Of interest to Soviet IS.

WITTICH was assigned the crypt AGENTAIL in Jan 59.

In EGGA 88980, 3 May 1957 was a 100 page CATIDE file on Subjee WITTICH. Included was the attached report by HOFE. No one seems to have investigated how SIX fit into this mess. (At least the file does not show any action). In checking thru SIX's file, I found a statement that he had been in Landsberg prison in 52. BY Coincidence, Cossmann was in Landsberg prison in Feb 52. HOFE described COSSMANN as an MFS agent (reported by CATIDE, April 63.) Cossmann was tried by HICOG Frankfort in 51 and sentenced to two years for spying. COSSMANN was again arrested by SG in September 63 when micro-dot material was found in his apartment. COSSMANN has admitted Mfs ties - but (as far as we know) has ^{not} revealed his relationship to HOFE.
