1. On 3 March 1947 DOOCIA appeared at source's flat to inform him that his meeting with PREGNANT, scheduled for the next day, would not take place. Instead, PREGNANT and DOOCIA were taking off for the Leipzig Fair early the following morning.

2. According to source, PREGNANT's trips are always made in his tarpaulin-covered Studebaker truck. PREGNANT sits up front with the driver, DOOCIA rides inside, and two guards cover the rear.

3. It is source's assumption that PREGNANT's trip has but one purpose: To read over the lists of guests who have come to the Fair from all the four zones, to pick out the people he has been looking for, and to bring them to Berlin in the back of his truck for interrogation at his leisure.
