Respected and dear Mr. Soobzokov,

1) I founded your address in our Magazine United Caucasus and according to the will of members of our Union Caucasiana, we wanted to have correspondence with our old immigrants of 1864, I beg your pardon that I write this letter in dirty for us Caucasians language, as I don't know Arabic. Beside that community of Union Caucasiana are: Azerbaydjanians, Georgians 40% and North Caucasians, and they do not understand Turkish language, (of course I speak Turkish).

2) Union Caucasiana was founded in September, 1954, where I am already third year doing job of Secretary-General and Chairman Veterans (ex Caucasian soldiers).

3) Our aims are United Caucasian Federation of whole Caucasus without Russians, as Reds nor Whites, in this respect we are doing great propaganda among South American States, and we have possibilities in writing in every periodical magazines published in Spanish language in the countries of South America, where is a great Anti-Communist movement.

4) We had recently attended International Anti-Communist congress at Mexico, we send also a protest to UN together with other nationals who's countries are occupied by communists. Now we are going to write a protest to UNESCO together with other 12 nations, to-day (11.11.54) was opened a meeting at Uruguay.

5) If you wish to know more about us, write please, I will send you our declaration from 3rd October, 1954 where we beg all Caucasians, to be friendly not to fight each other, and to found a United Caucasian Committee.

6) We want to have with you permanent contact and to get from you materials for press, specially we wanted to know what happens to-day in Caucasus, open facts, presecution for religion (specially Moslems) deportation Caucasians from Caucasus, and settling in their places Russians.

7) Of course if you will agree to send me informations, than I will write you which questions are interesting us more, you should not forget that South America have twenty votes in U.N.

8) Beside you I write a letter to Said Samil in Istanbul with some suggestions.

9) In meantime I beg you to draw lines about life of old immigrants other they love Caucasus or not? or they forget about it, if in case a war they will be prepered to fight against Russians for liberation of Caucasus or not?

10) You do not know me, I am one of old immigrants and I am not bolshevik-agent so you may write me everything with courage, you may ask about me our Azerbaydjens for example: 1. Rasul Zade (Sakarya Cad. 67d4 Ankara Y.S.) 2. Mahmed Giry Sans (Sair Nigar Sok 56 Istanbul Osmanbey).

11) For example we want some sort of informations from those pilgrims who came from Russia to Mecca, here in Chilia publishing a Magazine which is Anti-communist, and if you send me any informations for publications it will be published. If you wish you may send it even in Arabic, which I will translated in Spanish, but you have everything openly, facts where happened, what happened, how happened with happened.

12) Please accept from me and from all of us deepest salama for you and for all old immigrants, -our great brothers.

Your brother
