Re: United States v. Tscherim Soobzokov

Dear □                    □

We understand that your Agency is in possession of a "Department of State Operations' Memorandum" from American Embassy, Amman, Jordan, dated 5 August 1953 concerning a request for a Security Advisory Opinion of Tscherim Soobzokov.

The Office of Special Investigations urgently needs this document in connection with our denaturalization proceedings against Soobzokov, and it is therefore requested that you communicate with the Department of State either to obtain authorization to release this document to the Office of Special Investigations direct or to forward the document forthwith to State so that it might be immediately available to the Office of Special Investigations.

Your prompt attention to this matter would be greatly appreciated.

Sincerely yours,
