SECRET CONTROL

1. The British have launched a wholesale campaign to locate CONDUCTOR and his network and any other organization who organize Jewish clandestine emigration from Hungary, Rumania and Czechoslovakia.

2. From his contact in A.C. BRIT, CONDUCTOR was able to read a Top Secret cable addressed to all intelligence agencies wherein the following instructions were given:

a. To collect all available information about Jewish clandestine emigration from the Balkan countries into the Allied zones with destination to Palestine.

b. To locate, spot, describe and arrest all persons of the so-called Jewish underground who are connected with this illegal emigration movement.

3. Another Top Secret cable was sent to A.C. BRIT to all British agencies in Austria informing them of the following: "On 7 May 1946 an illegal convoy of 165 Jews were arrested near Fuerstenfeld. They came from Hornumend in Hungary and crossed the Hungarian-Austrian border at Heiligenkreuz. The entire convoy, which consisted of Czechoslovak Jews, all in possession of regular Czech papers, were transported to Graz for internment. The four transport leaders (belonging to the Hungarian Section of CONDUCTOR's network) are being detained by the FSS in Graz. It would be advisable that all intelligence agencies collect any information on such illegal crossings, arrest the people connected with it and interrogations be sent to this headquarters."

4. It appears that the officer of the FSS in charge of all investigations on Jewish emigration is Capt. ~~FORLEY~~ in Graz. This Capt. FORLEY employs an Arab employee of the UNRR in Graz named ~~Abdullah~~ as his informant on Jewish emigration. (Sub-source, CONDUCTOR's agent in Graz). In Villach the FSS is using for the same purposes an Italian named ~~Alfonso~~ (Sub-source, CONDUCTOR's man in Villach).
