MEMORANDUM FOR: Chief, CI Staff

ATTENTION

: Mr. [] 9338

SUBJECT

: Richard SCHULZE-KOSSENS, Hitler's Former Adjutant

1. The DCI informed the European Division that John Toland, author of "The Last Hundred Days", contacted the DCI in connection with research he is doing on a new book on Nazi Germany. He has interviewed a number of former knowledgeable Nazis, including Subject. SCHULZE-KOSSENS is planning a visit to Toland, and Toland has volunteered to have SCHULZE-KOSSENS available for an interview by the Agency. In the absence of identifiable information on SCHULZE-KOSSENS, European Division has asked the DCI to hold off on committing the Agency to an interview pending your return and a reading on the value of such an interview. The DCI (in the person of Mrs. []) concurs.

2. IP indices refer to several individuals named Richard SCHULZE with SS and RSHA connections. Basic documents have been requested. Neither the CIA Library Reference Service nor HIC have identifiable data. Central Reference Service has a file on Major Guenther SCHULZE-CASSENS, General Staff Berlin in 1944 and in the Volkssturm in 1945. Hitler's Rise & Fall makes no mention of S-K. We have checked the usual spelling variations as well.

3. We would appreciate your checking resources available to you and discussing with E/G the advisability of meeting with Mr. Toland's source.
