

Mr. Donald Edgar

23 October 1946

Captain E. Watts

Summary of Activities and Accomplishments of Past Week, and Statement of Projects Continuing Uncompleted.

1. Washington Document Center. Letter to Secretary of Navy requesting personnel allocations was returned to ICAPS when unofficial word received that War would allocate no personnel. Subsequently memos received from G-2 indicate "loophole", and letter to Secretary of Navy has therefore been rewritten, and will be submitted.

2. Centralization of SNECC's Security Advisory Board.

No progress reported.

3. Committee Report on ONI Proposal for Centralization of Static Intelligence. Following visits to Committee members (G-2 representative absent) original report was rewritten to include explanation for disagreements. Stats & A-2's statements included verbatim. ONI members approved redraft. Noted at end of report that G-2 member unable to act on revised paragraphs. Letter went out last Friday.

4. Deputy Assistant Director for R&E. Captain McCollum met Mr. Huddle last Thursday. Mr. Huddle expressed satisfaction with McCollum's assignment, and stated he would submit written request for him. McCollum should report for duty about 15 November 1946.
