MEMORANDUM FOR: Chief, SRS, Office of Security

SUBJECT : Horst W. BAERENSPRUNG

1. Several years ago your office requested that we check the captured German World War II documents on subject. We found no record in those documents. Since then we have been able to establish a special channel for checking certain, pre-1945 records of the Department of State. In our research in these records we noticed a file on subject and have reproduced a copy of it for your retention.

2. Please note that the arrangements for our access are sensitive and the fact that we have such access should not be revealed outside your office. We would appreciate your protecting our channel.
