31. AUG. 1951

TO: Chief, ZACACTUS
Washington, D. C.

Att: E J

1. It is requested that a clearance be granted on Subject individual whom we wish to employ as an assistant investigator. Subject has ideally placed contacts with German police authorities and is strongly recommended by Identity (2) for his discreet perseverance. Subject is proposed as an assistant to Identity (2) for the purpose of handling routine leg work in conducting investigations. Subject will be in no direct contact with any staff employee and will handle no classified material. Subject's cover is ideal. He can assume cover as a private investigator working for Identity (3).

2. Three copies of Form XI are forwarded under separate cover. These will identify Subject and Identities (2) and (3).

3. A field investigation of Subject has already been initiated and the results will be forwarded to you as soon as possible. It will be appreciated if you will proceed with your investigation on the basis of the information contained in this memorandum.
