MEMORANDUM

TO: HARVARD

FROM: Security Staff

SUBJECT: Sven Gunnar TREUHOFF - Report of PL 203 Investigation (2022)

1. There is attached completed investigative forms and supporting papers for the Subject who is being processed for immigration to the United States under the provisions of PL 203.

2. As we have been unable to obtain fingerprints on the Subject for several months, we are closing this case without checking the Federal German fingerprint records. As there has been a fairly comprehensive investigation of TREUHOFF, in this case only, it is felt that there is sufficient investigative coverage that the case might be submitted without the fingerprint checks although such check is desirable.

3. It is understood that HARVARD will forward to Headquarters the results of the latest recent LOFLUTTER of the subject along with the completed report of investigation.
