times a year to Budapest on business.

- 7. AVH Function. Agent candidate, to be used as principal agent handling AVH agents fnu SEIFERT and SUBSSMILON.
- 8. Performance. Provided non-sensitive commercial information to JUNGER.
- 9. Motivation. Unless JUNGER considered him trustworthy and believed he would accept recruitment.
- 10. Recruitment. It was planned for JUNGER to recruit BICKENBACH during one of his visits to Budapest.
- 11. Operational Structure. BICKENBACH was in contact with JUNGER socially and commercially. It was planned to employ him as a principal agent to handle agents SEIFERT and SUBSSMILON in West Germany, presumably reporting to JUNGER in Frankfurt or to JUNGER's replacement in the Foreign Trade Mission. Contact would presumably also be maintained periodically in Budapest.
