

CONFIDENTIAL

Following is an extract from WFA-11267, 8 April 1952 in which is described [ ] channel for the "Scrap" and "Austrian Communist Material".

"He [ ] identified for us the source of his wastepaper take of Russian documents as one Lt. Col. URBAN, whom he believes was previously in Budapest and Istanbul as a member of the German Intelligence. He specifically cautioned the writer that this information should not be passed to our German operation in Munich and Salzburg. He identified the source of the Austrian Communist material which we rejected as worthless as one @ KURT, @ BRUTUS. [ ] said that he would supply additional information to further identify this individual at our next meeting".

URBAN = TOKAYEV  
" = IM. ACHNER
