

PROFESOR FERENC VAJTA
Apartado Aereo 6173
Calle 27. No. 5.33
Bogota - Colombia

- 1./I am leaving from here December the 18th, and I shall arrive to Lisboa the next day. In Lisboa I shall stay in the HOTEL Frankfurt until the 26th of december, when I shall leave for Paris.
- 2./In Paris I shall stay in the HOTEL AVENIDA, 41 rue de Colisée (where Szilagyi is staying). Eventually I will remain in Paris for a month and try to get some agreement with the USA-people for my staying in Europe. If I can't reach any agreement for my european work and life, -I shall return to Colombia on the end of February (after having visited Italy, Spain and eventually England).
- 3./As I am sure, that the Communists of Hungary and Soviet-Russia will start some trouble around of me, -in a grave situation I shall adress myself to the USA-authorities only, and shall avoid any restauration of my old relation-ships with the French. However if I can agree with the USA-services and work with them, - I ALONE WILL BE RESPONSIBLE FOR my life. As I am not a coward and not interested in the ways of my bougeois future, I won't care, -if I shall pay with my life for my future work.
- 4./Until the day, that I can't agree with the USA-services, or there wont be any agreement, -I shall not make any public declaration concerning my ideas, my plans, etc. I shall tell to everybody, that I went only for vacations in Europe, and I shall behave myself like a vacationer. If I am attacked by the Communists, - I won't answer until the dat, that I shall not see: what can I do?
- 5./Only after leaving Paris shall I contact my old friends in the other european countries. However, I have to tell it already now: If I can't reach any agreement for my work in Eurpe with the USA, -I won't go work nwither with the French, nor with the English, -even if they will be eager to hold me there. In that case I shall return to Colombia, and retire to my former neutral job.
- 6./In Rome I shall stay in the HOTEL FLORA (VIA VENETO), in Madrid in the PALACE HOTEL, and In London with friends, in a private home. If there will be any change in my adresses, or my travelling plans, -I shall tell the USA-embassy.
- 7./As I am not very sure, that it is good for me to stay in the same Hotel, where Mr. Szilagyi is staying, because I only by his working in the SEMANA have had contacts with him, -I shall change my Hotel in Paris, -or see what to do.
